A QUALITY DEVELOPMENT OF STIFFEL-SCHWAB BUILDERS, LLC.

Nestled against a wooded creek and tucked behind privacy gates, you will find the exclusive community of Creekside Villas. This beautiful enclave, limited to 65 homes, blends the serenity of a Tuscan Village with the best of modern living.

Quiet lanes, tile roofs and a Mediterranean color palette enhance a collection of exceptional villas by five of Houston's finest builders.

Features such as wrought iron fencing, community landscaping, state-of-the art kitchens, interior fire sprinklers and security systems are standard. Design consultants are available so that owners may add their own custom decorative features.

Creekside Villas is an unprecedented opportunity in Memorial!
